

Introduction to Implementing Prevention & Early Intervention Programs in Mental Health

This training will:

- ✓ Update you on Orange County's approved Prevention & Early Intervention (PEI) Plan
- ✓ Discuss use of the Public Health Model as a framework when providing prevention and early intervention services
- ✓ Discuss obstacles and solutions to program implementation including identification of training and technical assistance needs to facilitate transformation to a prevention and early intervention capable system
- ✓ Explain the "Dos" and "Don'ts" of prevention and early intervention in mental health and relationship to treatment and recovery
- ✓ Provide guidance on how to successfully implement Mental Health specific Prevention and Early Intervention programs

Who should attend: Consumers of Mental Health Services, Community Members, Representatives of Community Organizations, MHSA Stakeholders, Mental Health Board, and HCA Staff.

Monday, June 29, 2009
