### Description of Project and LEA's Preliminary Determination

On May 6, 2021, Orange County Environmental Health, Local Enforcement Agency (LEA) received an application package from OC Waste & Recycling (owner/operator) for a new Solid Waste Facility Permit (SWFP) for the proposed Capistrano Greenery composting operations located at the Prima Deshecha Landfill (Prima). The proposed Capistrano Greenery would divert and compost the green waste already coming into the landfill. The LEA finds the application package to be consistent with the facility's California Environmental Quality Act document and state minimum standards; therefore the LEA accepted the package as complete and correct for a new SWFP.

### Purpose of the Meeting

This informational meeting is to inform the public about the proposed SWFP for this facility and to provide comments to the LEA regarding the proposed action. After the informational meeting, the proposed permit along with the application package and comments from this meeting will be submitted to the California Department of Resources Recycling and Recovery (CalRecycle) for an additional public meeting and concurrence. Information about CalRecycle's public meeting can be found on their website: <https://www.calrecycle.ca.gov/PublicMeeting/>.

### Availability of additional information

A copy of the application package is available for public review by appointment at the Environmental Health office located at 1241 E. Dyer Road, Suite 120, Santa Ana, CA 92705. Please call (714) 433-6000 or email at [health@ochca.com](mailto:health@ochca.com) to make an appointment. A PowerPoint presentation regarding this permit will be available on the LEA website: <https://www.ochcahealthinfo.com/eh/more/sm/sw>.

### Options for Submitting Comments and LEA Contact Information

If you have any questions after reviewing the above information or would like to comment on the proposed permit action, you may do so at the meeting or send your written comments via email or phone to Shyamala Rajagopal, ([srajagopal@ochca.com](mailto:srajagopal@ochca.com), (714) 433-6273) or Kathryn Cross ([kcross@ochca.com](mailto:kcross@ochca.com), (714) 433-6270) by July 26, 2021.

### Appeals Process Information

For information on the appeals process pursuant to Public Resource Code §44307 after the decision to issue or deny the permit has occurred, you may contact Kathryn Cross.
