

## Permanent Housing Resources Overview

The Orange County Coordinated Entry System (CES) refers to many permanent housing programs in Orange County. There are three types of permanent housing opportunities that are prioritized and made available through CES: (1) rapid rehousing, (2) other permanent housing and (3) permanent supportive housing. The list of permanent housing programs currently accepting referrals through CES is attached based on the 2021 Housing Inventory Count for the Orange County Continuum of Care. There may be additional programs that begin accepting referrals through CES throughout the course of the year.

<p><b>Other Permanent Housing (OPH)</b> OPH includes ongoing rental assistance with the tenant paying 30% of their income towards housing. This housing assistance comes with limited to no supportive services.</p>	<p>Ongoing Rental Assistance</p>	<p>Minimal to No Supportive Services</p>
<p><b>Permanent Supportive Housing (PSH)</b> PSH provides ongoing rental assistance with intensive ongoing supportive services. Participation in supportive services is voluntary.
