Reporting Methods for COVID-19 Antigen and Point of Care Testing

Federal regulations require both positive and non-positive antigen test reported within 8 hours

Facilities must report thru CalREDIE ELR or CalREDIE Manual Lab Reporting Module (CMLRM).

Each User who will be reporting results must complete this form.

For more information about ELR, please visit the [CDPH CalREDIE ELR webpage](#)

Facilities not using laboratories approved to test for SARS-CoV-2 must report via CalREDIE MLRM:

Steps to Report via CalREDIE MLRM:

1. [Complete the CalREDIE Manual Lab Reporting Account Request Form.](#)
2. Submit completed account forms to calrediehelp@cdph.ca.gov
3. CalREDIE Helpdesk will process the application and send the applicant their login credentials.
4. Each user should review the Quick Start Manual Guide: [Manual Lab Reporting Quick Start Guide](#). This documents describes how to log in and submit a result.

They should be able to login to the CalREDIE MLRM and begin submitting results once they have their account login credentials.
