D. RECRUITMENT:

1. Recruitment and nominations of members:

1.1 The committee shall manage membership recruitment. The management of membership recruitment shall reflect an open, candid, and participatory process in which differences in applicants' backgrounds, perspectives, and experiences shall be valued and viewed as essential. The committee shall strive to follow the fundamental tenets of community planning; Parity, Inclusion, and Representation (often referred to as PIR):

- Parity is defined as the ability of members to equally participate and carry-out planning tasks/duties.
- Inclusion is defined as meaningful involvement of members in the process with an active voice in decision making.
- Representation is defined as the act of serving as an official member reflecting the perspective of a specific community.

1.2 Because the HIV Prevention and Care Plan planning cycle requires continuity of participation, there will be a period of not less than two months, determined by the Council in conjunction with the committee, when applications for new membership will be accepted (generally between the period of August to October).

1.3 Applications on file for membership to the committee shall expire 12 months after receipt of the application.

There will be a maximum of twenty five (25) members on the committee. Membership will be appointed by the Executive Committee. The committee will seek membership participation from the following:
 - 1.1 Representatives from HIV Prevention Services (limited to four members)

F. VOTING:

1. The committee will utilize consensus voting for approval of the meeting agenda and minutes only. The committee will use a yay/nay voting system for all other action items. The yay votes must be unanimous for the vote to carry. For non-unanimous yay votes, a roll call vote will be taken. A majority vote in favor of the motion will be required for the motion to carry.
2. A quorum of the Committee must be present at any meeting in order for a formal action to be taken on any matter. A quorum shall consist of a majority of all committee members not on a leave of absence. All membership seats will have one (1) vote (except as indicated below in Item F.4). However, the membership seats for PLWH will be unlimited.
3. While staff from one (1) agency may occupy numerous membership seats, a maximum of one (1) vote per agency will be allowed. At a meeting where there is a potential vote, staff will communicate with those providers who have more than one (1) member to determine who will vote prior to the meeting.

6. When it is time to vote, members are expected to vote on what they believe to be best for the community at large. This means that there may be times when a member shall cast a vote that is not in the best interest of the particular population or perspective that they represent.

G. REMOVAL: Members may be removed from the committee for the following causes:

1. Absence from three (3) regularly scheduled meetings during the appointed year. If, for some reason, the member is unable to attend a meeting, they may notify the Council Support or an Officer requesting a leave of absence for up to three meetings.
2. Conduct that violates the Rules of Respectful Engagement or Council Bylaws.
3. Conduct, which would have a negative impact on the integrity of the community's confidence in the committee, will be reviewed by committee for determination.
4. Prior to any member being removed based on Items G.2 and G.3 above, they shall receive written notice of the intent to remove and the reasons for removal. The member shall be given fifteen (15) days in which to respond in writing to Council Support or in person at the next meeting, whichever comes first. Upon receipt of the response or after thirty (30) days after the date of notice, the members of the committee shall vote or come to consensus on the matter.

H. GUESTS: Participation on the committee shall be as open and inclusive as possible. Guests may participate at any of the committee meetings. However, depending on time constraints, discussion may at any time be limited by the Officers to members only. The Officers may ask guests to leave the Committee meeting for conduct that disrupts the Committee and interferes with the conduct of committee business.

I. PUBLIC COMMENT: Any guest choosing to speak to an item not on the agenda shall be limited to making their comments only during the "Public Comment" section of the agenda and will be subject to a specified time limit set by the Officers. An extension of time may be granted at the discretion of the Officers or if a majority of the committee votes to extend the time limit. The Officers may also recognize members of the public to comment on agenda items during the discussion of that agenda item.
