CALIFORNIA ACCIDENTAL RELEASE PREVENTION PROGRAM

Public Notice

Date of Notice: November 7, 2019

The County of Orange Environmental Health Division is the Administering Agency for the California Accidental Release Prevention (CalARP) Program for all of the Orange County Cities except for Anaheim and La Habra. CalARP regulations requires companies with certain regulated chemicals above a reporting threshold to submit a Risk Management Plan (RMP) to the County for review.

Upon determination that the RMP is complete by CUPA staff, notice will be provided to the public that the RMP is now available for 45 day public comment period.

The following facilities have submitted an RMP that have been reviewed and deemed complete. These RMPs will be available for public review/comment for the next 45 days. If you would like to review a RMP, please contact Marco Escobedo at (714) 586-6185.
