SUBJECT:

Perinatal Services Network Guidelines

PURPOSE:

To ensure compliance with all pertinent Federal, State, and local laws and regulations pertaining to the operation of Substance Use Disorder Services (SUDS) treatment programs in the County of Orange. This policy is not meant to exclude any and all other laws, statutes, and regulations pertinent to the operation of SUDS treatment programs.

POLICY:

It is the policy of County of Orange Behavioral Health Services and its Substance Use Disorder Services (SUDS) Programs to be in compliance with all federal, state, and local laws regarding the provision of perinatal substance abuse treatment and with the standards set forth in the California Department of Health Care Services Perinatal Services Network Guidelines (2014) as posted at:

<http://www.dhcs.ca.gov/individuals/Documents/PSNG2014Final21214.pdf>.

SCOPE:

County of Orange Behavioral Health Services – Substance Use Disorder Services (SUDS) Programs

Multi-Year Contract for Substance Use Disorder Services for Fiscal Years 2014-2015 through 2016-2017

PROCEDURE:

The County of Orange Behavioral Health Services Perinatal Treatment Programs will provide services including, but not limited to:

1. Primary medical care for women, including referral for prenatal care and, while the women are receiving such services, child care;
2. Primary pediatric care, including immunization, for their children;
3. Gender specific substance abuse treatment and other therapeutic interventions for women which may address issues of relationships, sexual, and physical abuse, parenting, and child care while the women are receiving these services;
4. Therapeutic interventions for children in custody of women in treatment which may, among other things, address their developmental needs, their issues of sexual and physical abuse, and neglect; and
5. Sufficient case management and transportation to ensure the women and their children have access to services provided for in numbers 1-4 of this subsection.
