The Authority and Quality Improvement CYBH Support website

- ♦ Be aware of the many links and important trainings on the website

The download page: <http://ohealthinfo.com/bhs/about/cys/support/downloads>

- ♦ In the past the AQIS office would have to be contacted to obtain the various forms required for distribution to Medi-Cal consumers or for display in office locations. Many of these forms are available for download and printing directly from the website.
- ♦ The download page contains links for psychiatric consents, the BHS Formulary and JV 220 forms.
- ♦ Be aware that the JV 220 form is revised as of 7/1/2016. Links to the new forms are now available.
- ♦ Other useful links include Medical Information for distribution to consumers, in various threshold languages including: The Advanced Health Care directives, EPSDT/TBS brochures, Advisement Checklists, Grievance Appeal Forms, and Guide to Mental Health Services, The Mental Health Provider lists, and the various HIPAA forms.
