Wednesday, July 11, 2018 – 1:00 p.m.

**Location:**

405 W. Fifth Street, Conference Room 433  
 Santa Ana, CA 92701

**Mission Statement:** "To serve as a multi-disciplinary forum for communication of System-wide prehospital issues, to advise EMCC on policies and procedures relating to System operational issues, and to advise the OCEMS Agency on medical control issues."

**Please Note:** As part of the Health Care Agency's concern for employee and visitor safety, all visitors are required to check in with the security guard in the first floor building lobby. The guard will provide visitors with access (there is no problem going down to the first floor) and provide visitors with a visitor's pass which must be worn while in the building. A staff member (Eileen) will be down in the lobby for a few minutes after the start of the meeting to ensure access to the conference room.

**Parking:** Please park on the first level of the parking structure. If parking is not available or if you have an oversized vehicle (maximum height: 6'5") and are unable to park in our structure, you may park in lots P2, P3, or P6 which may be found on the attached map.
