

2018 STATEWIDE MEDICAL AND HEALTH EXERCISE Successful Exercise Documents

With the ever expanding Health Care Coalition we are asking all participants to please print, review, and bring the following documents with you to the Controller/Evaluator Meeting. The following documents can be found online at http://www.healthdisasteroc.org/ems/emergency_management/preparedness_training_and_exercise/2018_swmhe.

- **Controller Evaluator Handbook (C/E)**
- **Participant Feedback Form**
- **Master Scenario Event List (MSEL)**
- **Exercise Directory**
- **Facility Specific Exercise Evaluation Guide (EEG)**
- **Facility Specific Exercise Objectives**

If while reviewing the above documents you are unsure of how to properly utilize them; the Beginner's C/E meetings will review proper incorporation of documents to ensure a successful exercise for your facility.
