

Dear EMS Providers and Partners,

Registration for the 2019 Southern California Preparedness Summit is now open! Registration will close in three weeks so be sure to [register](#) early! Hear from expert speakers on preparedness topics and gain valuable insight on disaster preparedness, response, recovery, emergency medical services, cybersecurity and learn about practical applications for healthcare facility evacuation.

This year we are offering seven hours of instructor-based training at the summit. Come earn **FREE Emergency Medical Services (EMS) Continuing Education credit** sponsored by CA EMS Provider #33-0001. Don't miss an opportunity to enhance your skills and knowledge while earning CEs.

The Southern California Preparedness Summit is scheduled for May 8 at the Riverside Convention Center. The event is free to attend. Parking, continental breakfast, and lunch will be provided. Please forward this invitation to anyone within your organization who may have an interest in attending. Registration does not confirm attendance. Attendees will be verified and receive a confirmation email.

The event agenda will be finalized soon. View the agenda and speaker bios, as they become available, at [Southern California Preparedness Summit](#).
