

Walk to School Day Activity Packet

Get the wiggles out with one of these FUN activity breaks!

Activity One: Scavenger Hunt Bingo

Take a break with this fun game! It's part Bingo, part scavenger hunt, and 100% FUN. Take a neighborhood walk with your family or the people living in your house. See how many of these traffic safety features you can spot. Once you cross off five in a row, you've got BINGO!

Activity Two: Walk to School Day Sneaker Coloring Sheet

October 6th is Walk to School Day.

Take a break to get your body moving! Go for a neighborhood walk with your family or the people living in your house. You can even walk around your home, yard, or up and down the stairs. When you finish your walk, color this sneaker and place it in your window to let everyone know you are celebrating Walk to School Day. Take a picture of your artwork and post it on social media. Use the hashtag #ImWalking.

Special thank you to the Massachusetts Safe Routes to School Program for creating and sharing these activity sheets.
