

Crisis Intervention Training (CIT) for First Responders

Crisis Intervention Training (CIT) supplies support to first responders in many fields, including sworn and non-sworn law enforcement, corrections officers, dispatchers, firefighters, EMS personnel, crisis line call takers, street outreach teams, victim advocates and more. As the leading expert in mental health and wellness services in Orange County, we provide tools that allow for easier navigation of crisis situations including:

- How to identify and work with individuals and family members experiencing mental health and substance use disorders
- De-escalation and tactical communication
- How to assess for suicidality, decision-making impairments and more
- Mental health resources and tools
- Greater connection and positive interactions between community members and first responders

Available trainings: CIT for Dispatchers | CIT for Law Enforcement | CIT for Corrections | CIT for Fire/EMS | CIT Youth | Adult Mental Health First Aid | CIT Situational Awareness | Law Enforcement Relations | Non-Law Enforcement Dispatch | Vicarious Trauma | Trauma Informed Care | VOICES | Provider Training
