

Join us in supporting the health of our mothers and babies in Orange County

Orange County Perinatal Council (OCPC)

Mission Statement: The Orange County Perinatal Council (OCPC) is dedicated to supporting optimal perinatal health and wellness for Orange County's women and babies - before, during and after birth.

About Us: OCPC represents a broad range of community stakeholders, organizations, and health care providers. All interested individuals and organizations are invited to participate.

Activities:

- Regular meetings with timely education and discussion topics, and updates on partner collaborative activities. Examples of recent topics include:
 - ◆ Perinatal Mood and Anxiety Disorders (PMAD)
 - ◆ Medication-Assisted Treatment (MAT) in pregnancy
 - ◆ Plan of Safe Care (POSC) for infants and families affected by substance use
 - ◆ The syphilis epidemic in women and babies in Orange County
- Sharing of announcements and resources through member distribution list
- Ad hoc meetings as needed on critical issues (e.g., the infant formula crisis)
- Sub-working groups for additional collaboration on projects (e.g., breastfeeding)
- OCPC also serves as the community stakeholder forum for our evidence-based Nurse-Family Partnership® home visitation services model.

Meetings: Quarterly (January, April, July, October), 2nd Tuesdays of the month, 1:00 PM – 2:30 PM
