## **Orange County Community Health Improvement Planning**

## Health Conditions Rating Form Please rate your answer to each statement on the following scale

2 Strongly disagree Neutral Strongly agree

	Meaningfulness			Feasibility			
	Disparity / Inequity	Important	Outcome	Current Effort	Collaboration	Commitment	Overall
Health Condition	There is great disparity and/or inequity for this health condition within the county.	This is a health condition which is important to my community and/or stakeholders.	Improvement in this health issue would improve overall health in Orange County.	This health condition is currently under-addressed in Orange County.	More collaboration or multi-sector approaches are needed to improve this health condition.	My organization and/or community commits to participating in improvement efforts for this condition.	This is a health condition that should be a high priority in our shared Health Improvement Plan.
