Recruitment Now Open for the CalOptima Health Board of Directors

The OC Health Care Agency (HCA) is pleased to announce that recruitment is now open for the CalOptima Health Board of Directors. A County-organized health system, CalOptima Health serves nearly 935,000 low-income children, adults, seniors and people with disabilities. CalOptima Health launched in 1995 in response to the local health care system's difficulty in meeting the needs of vulnerable Orange County residents. Today, CalOptima Health is the single largest health insurer in Orange County and recognized statewide for delivering quality care. CalOptima Health's mission is to serve member health with excellence and dignity, respecting the value and needs of each person.

The HCA is seeking applicants who represent the diverse backgrounds, interests and demographics of Orange County residents and have the experience and expertise to operate a public health care system.

To apply for a seat on the CalOptima Health Board of Directors, please complete an application by April 26, 2024. Applications can be found on the HCA's website at ochealthinfo.com/caloptima. We may reopen or extend recruitment.
