**for**

**Emergency Medical Technician (EMT) Training Program**

# Emergency Medical Technician (EMT) Training Program

## Approval Packet

California regulations require OCEMS to review prospective training programs to assure compliance with State regulations prior to approving the eligible institution's training program. Only approved training programs may offer the training listed below. The purpose of this document is to define the application requirements for Emergency Medical Technician (EMT) Training Program.

### REQUIREMENTS FOR EMT TRAINING PROGRAM APPROVAL:

The eligibility and program requirements for Emergency Medical Training Programs are listed in California Code of Regulations (COR), Title 22, Social Security, Division 9, Prehospital Emergency Medical Services, Chapter 2, Emergency Medical Technician, Article 3, Sections 100065 - 100078 and referenced in the attached application and checklist.

*Complete and submit OCEMS EMT Training Program approval forms and checklist for EMT Training Program Approval.*

## EMT TRAINING PROGRAM

### I. PROCEDURES

- A. Complete and submit the following to OCEMS:
- Application for EMT Training Program Approval
  - Applicable Fees
  - Checklist for EMT Training Program Approval
  - Hospital/Ambulance Affiliation Information Form
- B. The following should be retained by the Training Institution:
- Certification Exam, i.e., passing grade.
  - Attendance Requirements, etc.
  - Certification Exam Eligibility, Clinical Time Verification Form
