

COUNTY OF ORANGE – HEALTH CARE AGENCY

# Host Your Own LUH Event

Light Up Hope OC is designed to raise awareness for suicide prevention during the month of September. While iconic locations throughout Orange County will be lit up in teal and purple, you can do your part by lighting up your own home or business in teal and purple.

Switch out your red and green Christmas lights or your orange Halloween lights for the teal and purple at home this month to honor suicide prevention awareness month.

<b>WHAT:</b>	Light Up Hope at your home in teal and purple to acknowledge suicide prevention awareness month.
<b>WHO:</b>	All OC Residents
<b>WHERE:</b>	Throughout Orange County
<b>WHEN:</b>	Sept. 8 – 14, 2024
<b>TIME:</b>	Nighttime Hours
<b>WHY:</b>	Suicide is preventable. It is critical we know the signs, find the words to communicate and reach out to offer help and hope. We must shine a light on this preventable tragedy that crosses all demographic lines. By lighting our homes and businesses, we hope people recognize the importance of the issue and reach out to those in need.
