

Demographic Survey for BHSA Workgroup Members

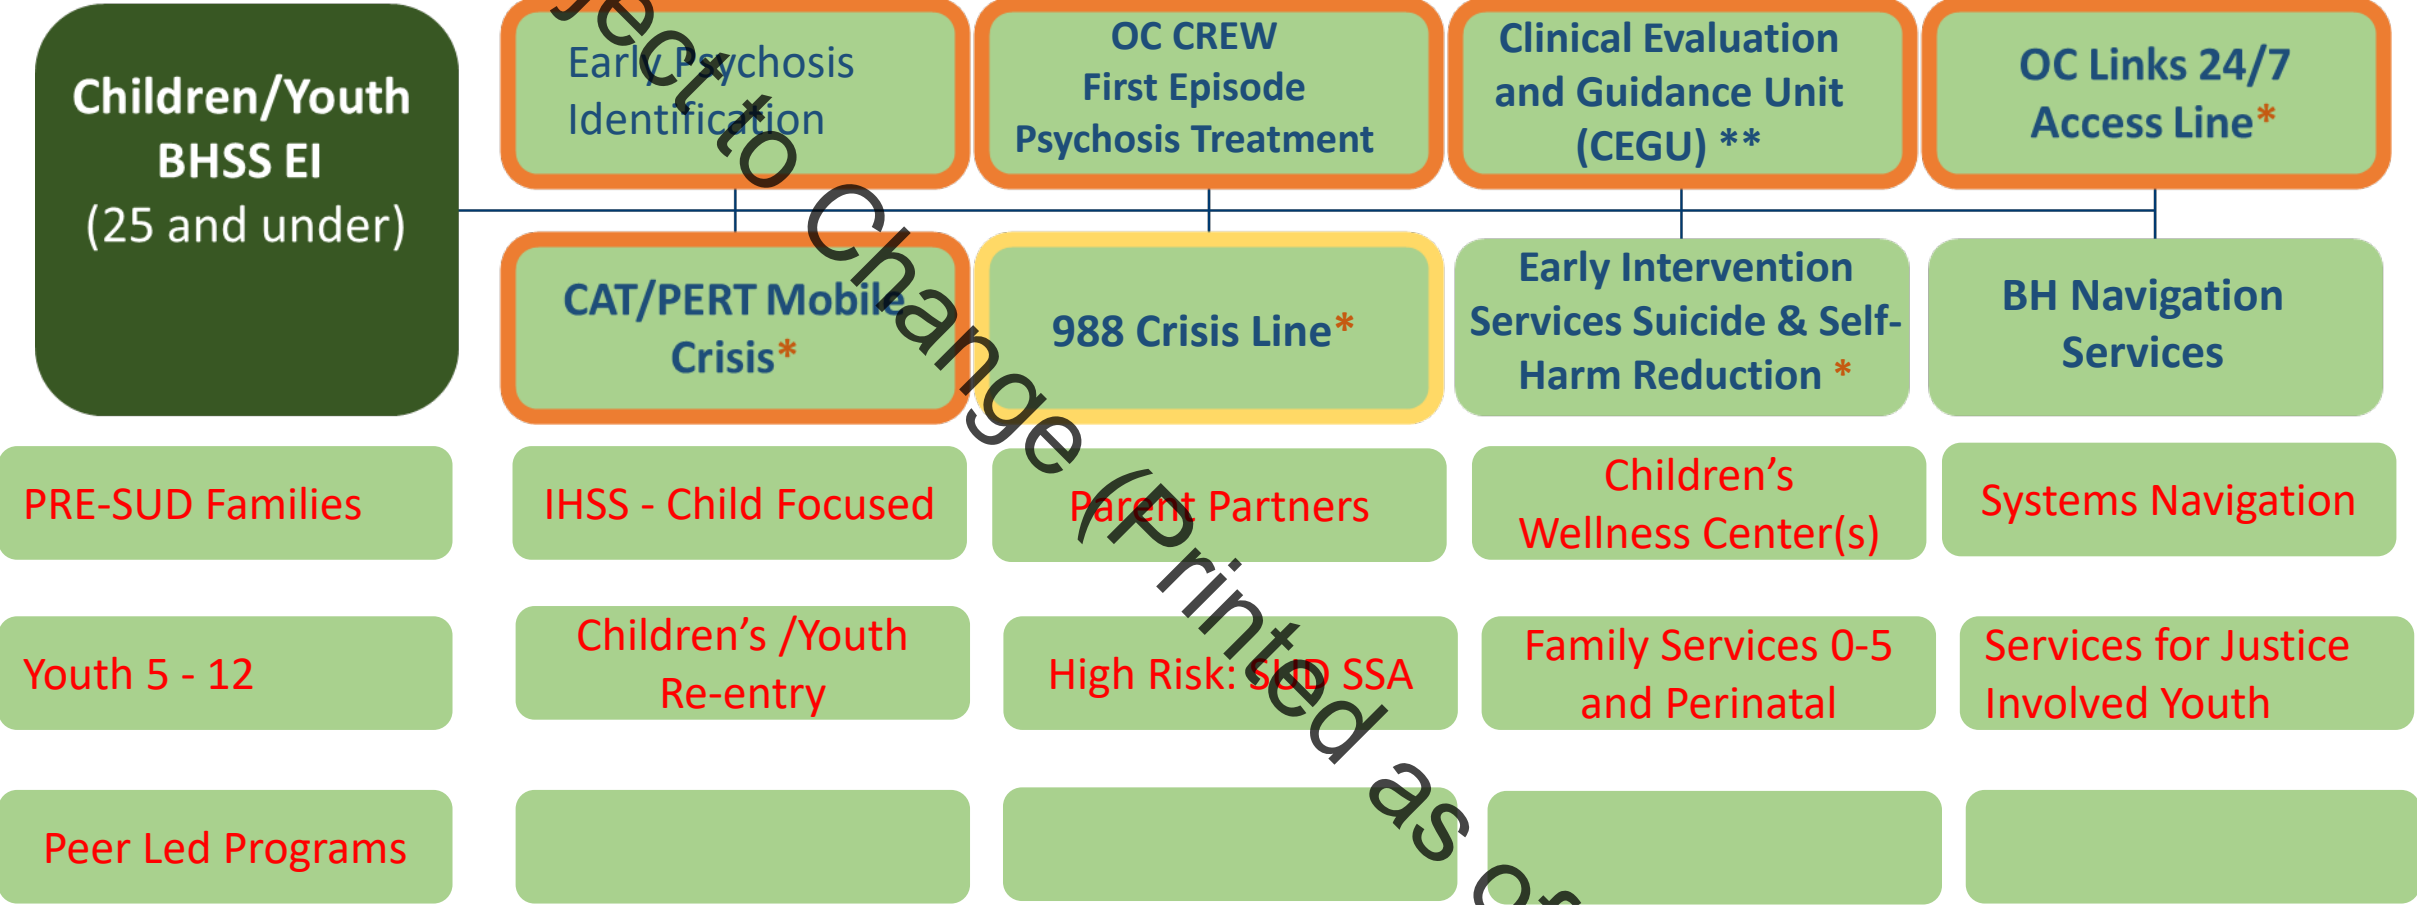

If you have already filled out the survey,
thank you and no further action is required

Please scan the QR code or [click here](#) to the CPP Demographic Survey which we are asking each of you to complete even if you have completed one recently at a CPP event.

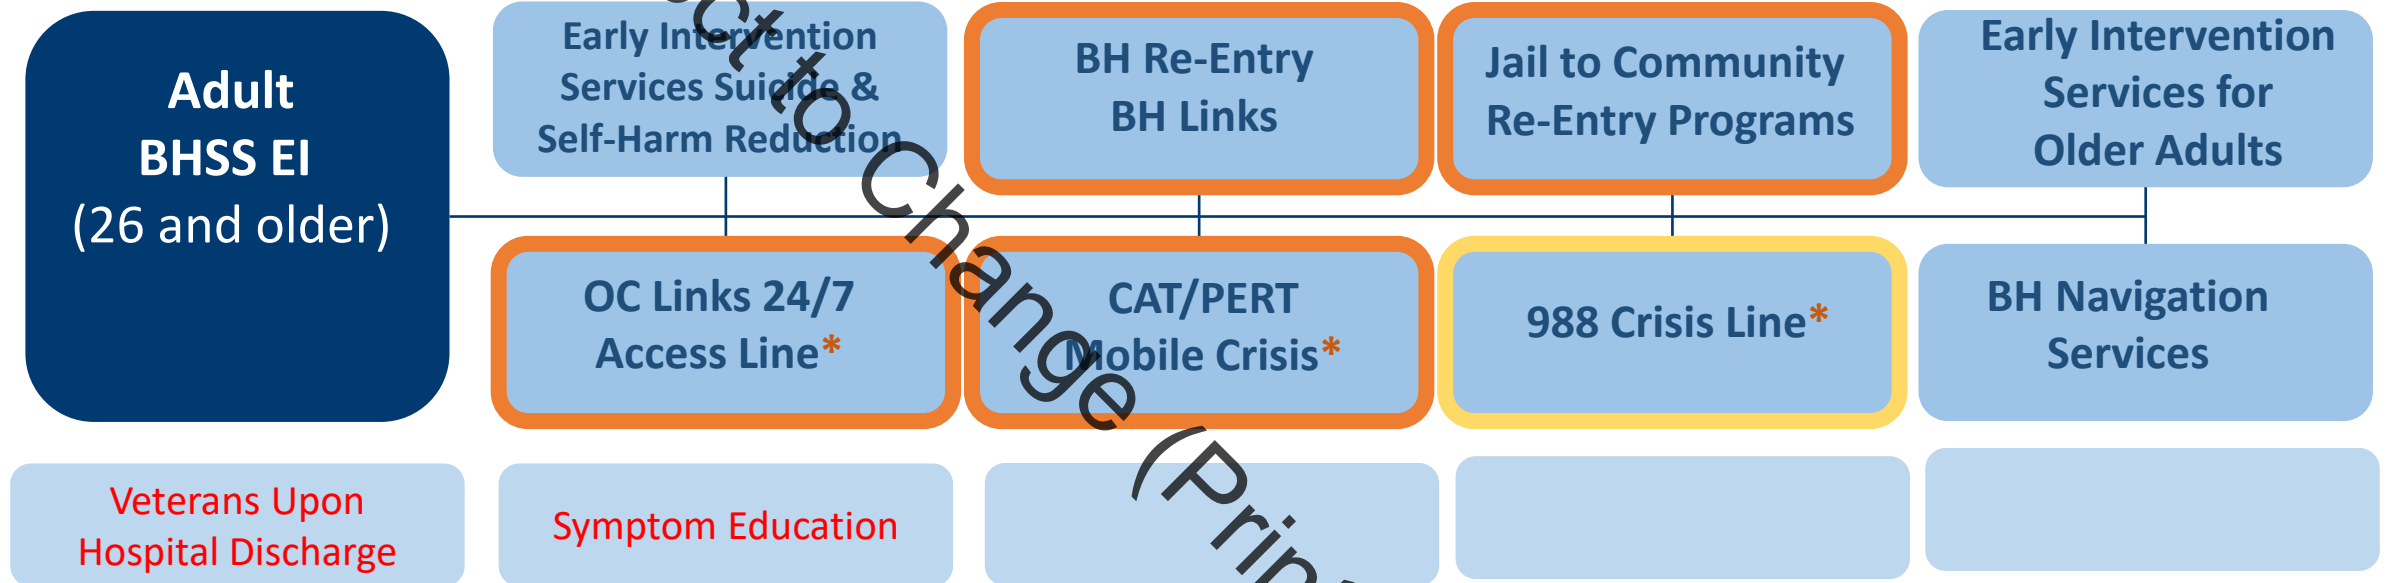

Thank you for your attention to this matter and for your continued support and participation with the BHSA Workgroups.

EXERCISE #1B PRIORITIZE PROGRAMS

Using the maps and identified services from Exercise 1A, discuss at your tables, rank and report the top three prioritized services for each section. Consider the needs of the entire County whether represented at your table or not.
