# MAJOR ACCOMPLISHMENTS 2025

## Major Accomplishments

### **Payment Reform — Countywide Initial Implementation Underway**

- Payment reform infrastructure is live; billing, rates, contracts, and EHR changes are actively implemented countywide.
- *Why it matters:* Positions OC for fiscal sustainability and State compliance.

### **BH CONNECT Incentive Program — \$3.5M Earned**

- OC successfully completed its first BH CONNECT submission, earning **\$3.5M**, with infrastructure in place to pursue up to **\$133.5M through 2029**.
- *Why it matters:* Demonstrated performance tied directly to revenue.

# MAJOR ACCOMPLISHMENTS 2025

## **Evidence-Based Practice (EBP) Expansion & Fidelity**

- Systemwide EBP implementation/expansion underway, including High Fidelity Wraparound, FFT, MST, PCIT, CSC, and DTI (contracts approved; implementation set) with additional EBPs continuing to roll out.
- *Why it matters:* Supports outcomes, billing, and long-term sustainability.

## **Crisis Continuum Expansion & 988**

- Expanded crisis response capacity through new RFPs, regional CAT deployment, 911 diversion, and public awareness campaigns.
- *Why it matters:* Improves access, response, and coordination across the crisis system.

# MAJOR ACCOMPLISHMENTS 2025

## **Bed Capacity Growth & System Flow**

- Active expansion of acute, LTC, and residential capacity to support SB 43 readiness and reduce ED and jail bottlenecks.
- *Why it matters:* Addresses high-visibility system pressure points.

## **Closed-Loop Referrals (CLR) — Countywide Launch**

- Countywide CLR initiative launched using CHORUS, with multi-agency alignment underway.
- *Why it matters:* Improves navigation, access, and continuity of care.

# MAJOR ACCOMPLISHMENTS 2025

## BHSA Integrated Planning & Transformation

- BHSA Integrated Plan and early operationalization development underway with cross-division leadership and multi-year planning horizon.
- *Why it matters:* Moves OC from compliance to strategic system design.

## SB 43 Implementation & Readiness — Go-Live January 1, 2026

- SB 43 has been implemented through cross-system planning, first responder tools, online and in-person trainings, and community education in advance of the January 1, 2026 effective date.
- **Why it matters:** OC is entering SB 43 with trained partners, informed communities, and operational tools in place—reducing risk and improving crisis response and public safety outcomes.
