

## **Facilities Advisory Committee Membership**

**Mayra Osuna for Hospital Administrative Representative:** Mayra L. Osuna, ACNP-BC, MSN, MBA, RNFA, is a dedicated healthcare leader with extensive experience in trauma care, nursing leadership, and hospital operations. Currently serving as the Chief Nursing Officer for South Coast Global Medical Center and Chapman Global Medical Center, where she oversees clinical operations, quality initiatives, and patient care excellence. A board-certified Adult-Gerontology Acute Care Nurse Practitioner, Mayra earned her Master's in Nursing Practice, completed the Registered Nurse First Assist program through University of California, Los Angeles, and holds a Master's in Business Administration. With a strong background in trauma program management at a Level II ACS-verified Trauma Center, she has led initiatives focused on operational efficiency, regulatory compliance, and quality improvement. She is also an instructor for TNCC and ATCN courses and maintains ATLS certification, reflecting her commitment to advancing trauma education and patient outcomes.

**Dr. Stephen Gassner for Emergency Physician Representative:** I am writing to express my strong interest in serving on the Facilities Advisory Committee. I believe my extensive medical training, clinical leadership, and administrative experience make me a well-qualified candidate to contribute meaningfully to this body. I hold a Bachelor of Arts in Public Health from the University of California, Berkeley, a Doctor of Medicine, and a Master of Public Health from the University of Miami Miller School of Medicine. I subsequently completed Emergency Medicine residency followed by a fellowship in Emergency Medicine Administration at the University of California, Irvine. I am board-certified in Emergency Medicine through the American Board of Emergency Medicine (ABEM) and maintain an active clinical practice at Kaiser Permanente, Orange County. In addition to my clinical responsibilities, I currently serve as the Physician Lead for Emergency and Disaster Management for Kaiser Permanente, Orange County and hold the position of Assistant Chief of Emergency Medicine within the same organization. Through these roles, I have developed a strong foundation in operational planning, facility readiness, emergency preparedness, and institutional decision-making — all of which I believe are directly relevant to the work of a facilities advisory committee. I am committed to applying this expertise in a collaborative setting to support informed, forward-thinking facility planning and policy.

### **Dr. Megan Dickson for Pediatric and Base Emergency Physician**

**Representative and Chairman:** Dr. Megan Dickson is a board-certified Emergency Medicine and Pediatric Emergency Medicine physician. She earned her medical degree from Loma Linda University School of Medicine before completing her residency training in Emergency Medicine. She then pursued additional subspecialty training through a Pediatric Emergency Medicine fellowship, where she developed expertise in the care of acutely ill and injured children. Following completion of her training, Dr. Dickson joined Children's Hospital of Orange County (CHOC) as a Pediatric Emergency Medicine physician and practices Emergency Medicine at Providence St. Joseph Hospital in Orange, California.
