

Orange County Healthcare Coalition (OCHCC)

OCEMS/ Health Disaster Preparedness (HDP)

Our Advisory Committee:

- **General Chair:** Teri Dart UCI-FV/ Co-Chair Keith Bohn WAMC/ LPMC
- **Hospital Advisory:** Christopher Riccardi/ John Case
- **EMS Advisory:** Tim Zimprich Falck / Andrew Tran (OCFA)
- **SNF/ LTC:** *Caroline Crowell Park Anaheim Health Center
- **Dialysis:** Danilo Concepcion St. Joseph's (Dialysis Services)
- **Clinic/ Urgent Care/ Ambulatory Surgical Center:** Ryan Yamamoto COO/Coalition OC / Adriana Nieto-Sayegh COO/LBCC
- **Home Health/ Hospice:** Aarti Sharma, Nitin Verma

- **County Introductions:**

- **AFN Coordinator/ at Risk Populations:** TBD

CAC Agenda:

- Discussion:
 1. FIFA Monitoring Termination
 2. Coalition Response Plan/ Readiness/ Support/ Recovery Plan
 3. LA28
 1. Superbowl 27
 2. FRC continuation
- OCHCC Update(s):
- On-going Discussions: Grant funding
 - 1. HPP funding is on-hold
 - 2. General Session Topics: What do we want to see for this FY.
- Budget Items Discussion: FY25-26 Budget was turned into CDPH, waiting for HPP funds to be delivered.
- Recommended: Reconvene the CAC at a later date and conduct a needs assessment.

Topic 1:

1. FIFA Monitoring Termination

- Successful completion of FIFA planning meetings, which led to HDMT training classes, a two-hour World Champion Pediatric Care webinar, and weekly SitReps that will be considered for Olympics planning.

On the Topic of trainings: HDMT

- CAC decided to continue offering HDMT training at minimum twice yearly while working toward quarterly sessions, pending resource allocation and support staff availability.

Topic 2:

- 2. Coalition Response Plan/ Readiness/ Support
- The Incident Management Team handles resource requests. Our Readiness Plan outlines training schedules and exercise frequencies, including maintaining equipment like decontamination trailers, while the Support Plan specifies assistance from the county, hospital, and coalition supply chains.

Topic 3:

1.LA28

- Planning for the event has started, but we have only met with the LA team so far. We need to get the Secret Service plan for this National Security event. The Secret Service is helping lead LA28. *Action Item:* Create an EMS staffing plan for community sites.

1.Superbowl 27: Not discussed

2. FRC continuation: The coalition will resume planning meetings for the Family Reunification Center, aiming to finish them before the LA 2028 Olympics.

Topic 4:

- OCHCC Update(s): Coalition Advisory Council bylaws review and attendance requirements. Chad proposed implementing an MS Teams sign-up system to better track attendance and explore ways to improve membership engagement. The bylaws require a 75% attendance rate (3 of 4 meetings) for our evaluation by ASPR and the State.
- Tabletop Workshop for SNF/LTC Evacuations. To increase participation among SNFs, invite the Chair of OC CAHF to motivate the SNF group to participate.
- OCIAC and CISA are hosting two four-hour training sessions on how to respond to an active shooter situation over two days.
- We will hire a Contractor for the Statewide Medical Health Exercise, Bio Response on April 22, 2027
- On-going Discussions: Chad has been awarded the grant management role and is creating a budget planning worksheet for purchases and conferences. We will meet in person or on Teams to discuss HPP funding.
 1. HPP funding is on hold

- Hospital Advisory: **NR**
- EMS Advisory: **NR**
- SNF/ LTC: **NR**
- Dialysis: **NR**
- Clinic/ Urgent Care/ Ambulatory Surgical Center: **NR**
- Home Health/ Hospice: **NR**

County Updates:

EMS Updates:

- Presentation/ Updates:
- Presented by: Dr. Gagandeep Grewal: updated county health initiatives, including a new measles case, and H-Beds data requirements under AB-177.
- We are developing a plan to coordinate Ebola ambulance services with our county.
- We are currently modifying policies on the EMS side.
- The Trauma Ops Committee will hold its annual meeting in December.

Public Health:

- Presentation/ Updates:
- Presented by: Dr. Zimmerman, this presentation on Ebola High Consequence Pathogen

Public Health Lab:

- Presentation/ Updates: Megan Crumpler
- Presented by: Chad was provided the link: <https://reach.cdc.gov/packing-and-shipping> to share with the coalition for the CDC P&S courses, available in both online and VR formats. It's free to create a CDC REACH account.
- [Packing and Shipping | OneLab REACH](#)

HCA Behavioral Health Services Disaster Response:

- Evidence-informed modular approach to help people of all ages in the immediate aftermath of disaster and terrorism.
- PFA is designed to reduce the initial distress caused by traumatic events and to foster short- and long-term adaptive functioning and coping.
- Your staff may be called upon to provide PFA in shelters, field hospitals and medical triage areas, acute care facilities (e.g., Emergency Departments), disaster assistance service centers, family reception and assistance centers, homes, businesses, and other community settings.
- Rachael and Chad at EMS to coordinate with hospitals
- Rachael can provide it at your agency location
- No maximum participants required
- 2 hours (no CEUs provided)

- **For info or questions contact:**
 - Rachael Ferraiolo, LCSW

Please email for more information rferraiolo@ochca.com

OCHCA Public Information Officer (PIO):

- Presentation/ Updates:
- Presented by: Julie McDonald, Director of Communications, this presentation covers the roles of HCA Communication.

Western Regional Alliance for Pediatric – Emergency Management (WRAP-EM)

- Presentation/ Updates:
- Presented by: Larissa Chiari-Keith, this presentation focuses on resources for pediatric care related to Ebola.
- Pediatric Disaster Centers of Excellence are federally funded through ASPR, and the Pediatric Pandemic Network (nationwide) is changing its name to the Pediatrics Preparedness Network.

- Presentation/ Updates: Presented by:
- HCC:
 - HDMT October 28th-29th 7:30a-5:00 pm
 - Needs: Clothes (expired), Role players, expired filters and decon supplies.
 - TEEX Approved, working with TEEX to schedule
 - TEEX MGT-439 Peds in Disaster, schedule 3-8-2027
 - Super Bowl 27 Planning Activities:
 - **Note:**
 - **HSEEP Course:**
 - **TBA:**

LDS Warehouse:

- Presentation/ Updates:
- Presented by: Chris Schuldes announced a new audit schedule for LDS, with visits planned from September 1 to September 30 to meet CDPH and Auditor Controller requirements.

Peds Readiness/ Preparedness:

- **Presentation/ Updates: No Updates currently**
- **Presented by:**
- **Pediatric Disaster Response and Emergency Preparedness training (MGT-439)** will be available March 8th, 2027
- **CHOC hosting October 2026**
- MGT-439 <https://teex.org/class/mgt439/>
- **Upon successful completion, you will be able to:**
- Recognize the issues likely to arise within the pediatric population during disaster events.
- Describe relevant Emergency Management (EM) considerations when planning for the care and management of the pediatric population following a disaster event.
- Describe the concepts of surge with specific focus on pediatric implications in a disaster event that are unique to the pediatric population, as well as discuss the impact of those considerations on planning and response efforts.
- Discuss effective planning and preparation in addressing the requirements of the pediatric population with Access and Functional Needs (AFN) in a disaster event.
- Describe relevant mass sheltering considerations when planning for the care and management of the pediatric population following a disaster event.
